Bachelor of Science (BS)

Family & Consumer Sciences Education

Students completing the Bachelor of Science in Family & Consumer Sciences Education program at Southeast Missouri State University receive a K-12 certification, and are trained to teach a variety of different subject matters such as:

- Child Development
- Family and Personal Relationships
- Foods and Nutrition
- Clothing Construction and Fashion
- Interior Design

Family & Consumer Sciences Education students will...

- Experience multiple field placements throughout your training
- Participate in regional FCCLA events from a leader's perspective
- Learn from specialists in all of the areas of Family & Consumer Sciences

Career Planning

Career preparation is part of the mission of Southeast. Family & Consumer Sciences Education students participate in student teaching, and have opportunities to study abroad.

Professional career counselors are available for all students. The Office of Career Services in Academic Hall 057 can provide students with professional career counseling, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001/CL002	First Semester	Complete the FOCUS2 assessment and develop a Career Action Plan.
CL003	Junior Year	Students gain information about career planning and job searching resources.
CL004	Senior Year	Students demonstrate advanced proficiency by identifying a position in their field, developing a cover letter, and tailoring a resume for the position. Materials are critiqued to ensure preparedness for a successful job search.

Practicum Experiences and Employment Opportunities

Family & Consumer Sciences Education students are placed in diverse situations to give them experience teaching the widest possible range of ages:

- Kindergarten
- Elementary
- Middle School
- High School
- Extension/Adult Education

Currently, demand for Family & Consumer Sciences teachers at the middle school and high school level is very high. The majority of our Family & Consumer Sciences Education majors receive offers of employment even before graduation!
