

Family & Consumer Sciences Education

Bachelor of Science (BS)

Family & Consumer Sciences Education

Students completing the Bachelor of Science in Family & Consumer Sciences Education program at Southeast Missouri State University receive a K-12 certification, and are trained to teach a variety of different subject matters such as:

- Child Development
- Family and Personal Relationships
- Foods and Nutrition
- Clothing Construction and Fashion
- Interior Design

Family & Consumer Sciences Education students will...

- Experience multiple field placements throughout your training
- Participate in regional FCCLA events from a leader's perspective
- Learn from specialists in all of the areas of Family & Consumer Sciences

Career Planning

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship. Family & Consumer Sciences Education students participate in student teaching, and have opportunities to study abroad.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001	First Semester	Students connect academic career planning by completing an online career assessment
CL002	Second Semester	Students learn more about resources available to enhance academic and career planning
CL003	Junior Year	Students learn about continued career planning, job search strategies, and networking
CL004	Senior Year	Students learn about resume development, professional communication, interviewing, and transitioning to the first job from college

Practicum Experiences and Employment Opportunities

Family & Consumer Sciences Education students are placed in diverse situations to give them experience teaching the widest possible range of ages:

- Kindergarten
- Elementary
- Middle School
- High School
- Extension/Adult Education

Currently, demand for Family & Consumer Sciences teachers at the middle school and high school level is very high. The majority of our Family & Consumer Sciences Education majors receive offers of employment even before graduation!

Admission Requirements

- 42 course hours completed
- 2.75 cumulative GPA
- Missouri Educator Profile (MEP) results on file with the Office of the Associate Dean of the College of Education
- Score of 220 or higher on all sections of the Missouri General Education Assessment (MoGEA)
- The following course requirements met
 - A grade of C or above in PY222 Development of the Adolescent
 - A grade of B or above in ED280 Introduction to Education as a Profession

Additional Information

The state of Missouri has high expectations for future educators. Students matriculating into education programs must meet the following standards to be recommended for licensure following degree completion.

Students graduating spring 2017 or later must maintain a 3.0 GPA in both content and pedagogy courses. In addition students must pass the Missouri Content Assessment Exam and the Missouri Pre-Service Teacher Assessment for recommendation for licensure. Students must also fulfill other assessments such as the Missouri Educator Profile and be cleared through a FBI background check.

Special Options with Secondary Education

Southeast offers a Master of Arts in Secondary Education.

Family & Consumer Sciences Education

Bachelor of Science (BS)

This is a guide based on the 2017-2018 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use DegreeWorks to monitor their individual progress.

CURRICULUM CHECKLIST

"Critical Courses" are italicized and bold. Data shows that students who have completed this course in the first two years and have earned the noted grade are most likely to complete this program of study.

(Curriculum pending state approval)
