

The Master of Arts in Secondary Administration Program is a nationally and state accredited program whose graduates are highly sought after by school districts. Graduates of the Administration program find employment, pass the state administrator certification exams, and qualify for state certification.

The Master of Arts in Secondary Administration Program is designed for experienced teachers who have a strong belief in continuous school improvement and a deep desire to become a transformational leader. Leaders who have a commitment to changing the lives of all students through engaging in a high quality rigorous program of study focused on continuous school improvement will be successful in the program.

The Master of Arts in Secondary Administration Program is a 30 hour Online Degree focused on four curriculum themes:

- School Improvement
- Management and Operations
- Instructional Leadership
- Culture and Change

The innovative curriculum is designed and taught in eight week sessions with a six hour internship conducted in the student's school district.

Scholarships and graduate assistantships are available for both 1st year and 2nd year graduate students.

Master of Arts in Secondary Administration Students will...

- Complete 30 hours of master's level courses in 5 semesters
- Complete internship experience in your district
- Participate in an innovative project based learning curriculum
- Engage in productive learning relationships with students from a variety of districts
- Become transformative leaders who develop high quality programs to inspire, empower and prepare students to succeed.
- Meet Missouri administrator certification requirements

Career Planning

The Master of Arts in Secondary Administration Program prepares students to work in administrative roles in schools and school districts. The Educational Administration Program prepares students for 7-12 Principal and, with additional DESE requirements (certification in special education and 2 years of teaching experience in special education) district Special Education Director K-12. For the Special Education Director, the Internship requirements are customized to reflect both secondary principal and special education director supervision. Test preparation for the Missouri certification exams are built into the program.

Admission Requirements

1. A graduate GPA of 2.75 on a 4 point scale
2. A bachelor's degree in education
3. A valid teaching certificate

The Master of Arts in Secondary Administration Program fulfills the requirements for the following certifications:

Secondary 7-12 Principal Special Education Director (with additional requirements)

The Master of Arts in Secondary Administration Program is designed to meet Missouri standards for certification. Students seeking certification in other states should contact their state department of education.

This is a guide based on the 2016-2017 Graduate Bulletin and is subject to change. The degree program is designed to be completed in five semesters including summer. Students should contact an academic advisor each semester and use DegreeWorks to monitor their progress. Students may begin the degree during any semester.

CURRICULUM GUIDE

The degree requirements in Educational Administration are based on (1) the Professional Standards for Educational Leaders (PSEL), (2) Educational Leadership Constituent Council (ELCC) standards, (3) Council for Exceptional Children Standards (CEC) and the (4) Missouri Standards for Preparation of Educators (MoSPE).

Degree Requirements

The Master of Arts degree in School Administration is a 30 hour program that prepares candidates for certification as a secondary principal 7-12, with additional DESE requirements (certification in special education and 2 years of teaching experience in special education) special education director (K-12). For the Special Education Director, the Internship requirements are customized to reflect both secondary principal and special education director supervision.

For students who enter the program and wish to **complete both K-8 and 7-12 principal certificates**, an additional 6 hours of coursework is required; both school administration courses are completed (EA630 and EA635) as well as an additional internship experience. All courses are taught online with the internship conducted in the student's school district.
